

NRA HIGH POWER RIFLE MATCH

High Power is a really fun Match where you get to fire three different positions, and rapid fire from two of them. Not a dull moment! The challenge is all against yourself to try your best, whatever that is. If you seek to improve your skills, we help you. The Match is NRA Approved, meaning that you can earn NRA Classifications (see below). Most choose not to, but if one wishes to compete to earn the National title of Distinguished Rifleman (see below) this Match prepares you. Whatever is your pleasure, this Match always provides a good day at the range!

We begin our Match firing 20 rounds Off Hand at targets 200 yards down range.

Then we fire Sitting Rapid Fire in two strings of 10 rounds each from 200 yards.

Third, we fire Prone Rapid Fire in two strings of 10 rounds each from 300 yards.

Last, we fire Prone Slow Fire 20 rounds at 300 yards. Sometimes, we win an award!
